

Professionally converted for accurate flowing-text e-book format reproduction, Army Doctrine Reference Publication (ADRP) 3-90 provides guidance in the form of combat-tested concepts and ideas modified to exploit emerging Army and joint offensive and defensive capabilities. ADRP 3-90 expounds on the doctrine established in Army Doctrine Publication (ADP) 3-90. It provides additional information on the basic concepts and control measures associated with the art and science of tactics.
