

Do you ever wonder what baby animals do with their moms and dads? They act very much like us! Baby See, Baby Do! can show you how baby zebras hide behind their mothers, seahorse babies ride in their fathers pouches and more. There are pop-ups to pop, tabs to pull and flaps to lift, making this a fun, interactive book perfect for any child. And after enjoying the lively actions of the adorable baby in the book, kids will be sure to play the same animal games with their parents.
