

Huck, a young man from Weston, Mississippi, sits alone in a diner, pondering the misery of his life. The weather is dreary, much like Hucks life at the moment. An elderly gentleman joins him for a cup of coffee while riding out the storm. Hucks life will never be the same. Love, loss, friendship, and betrayal play out against the backdrop of the deep South. Bloom is the story of a young mans struggle with life, a kindly old souls wisdom, and a love so powerful that even darkness cannot prevail in the lives of the willful. Full of raw emotion, and a stark, but real view of life, Bloom is a story guaranteed to resonate with listeners on many levels, and shows we are more than the sum of our experiences.
