

Do you have trouble getting payment from your patients and insurance carriers? Are you tired of your collection letters and calls being ignored? Are you giving collection agencies too many easy accounts? The new third edition of our best-selling collection handbook is designed to help you learn how to collect your past-due accounts yourself, without giving up to half of your money away to collection agencies. Packed with new information regarding the updated Fair Credit Reporting Act, the HIPAA privacy rule, revised forms, phone scripts, and updated information regarding Federal laws governing collection activities.
