

Knowing how to use punctuation marks is essential to writing well. The comma and colon are some of the most useful types of punctuation, though the rules regarding their usage can be tricky. Readers will be introduced to the most common ways commas and colons are used in writing. Written examples feature school-day settings and situations, engaging readers with familiar scenarios. Colorful photographs will draw readers in further, while fact boxes give examples of even more uses of commas and colons.

24 Mar - 7 min - Uploaded by Learn English with Benjamin [engVid] Using proper English punctuation shows that you are a sophisticated and intelligent writer. The correct use of punctuation is a key skill in writing. The comma is useful in a sentence when the writer wishes to: The semi-colon is perhaps the most difficult sign of punctuation to use accurately. The major classes that exist in Western societies are an upper class (the wealthy, employers and industrialists, plus. If you can, use a period instead of a comma or a hyphen; 3. Let's also clarify what's not important: The lesser-known rules of grammar and punctuation that instruct us to write in . Notice how the correct examples use a semicolon to conjoin two sentiments (If punctuation serves zero grammatical purpose, don't use it!).

The proper use of commas overlaps with the proper use of semicolons and colons. So remember not to overuse the semicolon!) refer back to this easy explanation and our Professional Writing lessons for guidance. write short sentences, and use only full stops, commas and quotation marks; Those points having been made, the correct use of colons, semicolons, . Ironically, students often link sentences together (which shows that they see the value of this). (because to write species's habitat would be ridiculous - just try saying it!).

Understanding the function of colons and semicolons is only half the battle; using them correctly In each case, omitting the colon makes the sentence correct. You use punctuation marks to structure and organise your writing. use commas periods colons etc to make sentences clear when i am in a hurry tired cold lazy. The best way to write a good headline is to keep it simple and direct. idea: The first word in the head should be capitalized as should all proper nouns. In most cases, do capitalize the first word after a colon. (We'll talk about this in class). • more punctuation: The comma, in addition to its normal use, can take on.
