

This account is not for the faint of heart. In its ten heart-pounding pages the author relates events that occurred over a 24-hour period when his homelands borders were permeated by the reptilian predator known as the CETST (Combat Enhanced Tactical Snapping Turtle). Before judging the actions that day, consider what you would do if you had been in those steel-toed combat boots. How far would you be willing to go to protect everything you hold dear from the slaving jaws of this cold-blooded communist commando? Like the story? Tell your friends and help an aspiring young author pay his way through college.
