

Funny. Engaging. Inspiring. How do you find the strength to fight for what's right? This humorous coming-of-age story is both a young man's journey of discovery, and a glimpse at the fascinating period of Russian history. The year is 1983, and in the small Soviet town of Belsk, a young teenager has big things on his mind. Maxim Lapin has a crush. And not just any crush. Maxim is head over heels for a girl named Tanya Nosova, and it's just his luck that Tanya is too ambitious and independent to acknowledge his advances. As if that wasn't enough, Maxim and his friends are being bullied by a gang of older boys led by angry, frightening Tolik Smirnov. To Maxim, it seems that life is more complicated the older you become, and he's not sure he likes it at all. A novel for middle grade children, this book weaves action and adventure with a poignant story of a young man on the brink of adulthood. At once funny and heartfelt, Diary of a Maxed Out Kid is a historical novel sure to engage and inspire.
