

The GNB Dramatised Bible is a dynamic, fresh and inspiring way to present the word of God. Ideal for reading aloud and group dramatisations, a fresh and imaginative approach to the Scriptures. Using the actual narrative text from the easy-to-read Good News Bible, The GNB Dramatised Bible allows favourite Bible scenes to speak for themselves and makes the dramatisation of passages and reading aloud really easy. Church groups, schools and religious education programmes can now access the Bible in a vivid and lively way, making the positive participation of religious study truly interactive. Through this approach the Scriptures are brought to life in a contemporary and effective way to provide greater access and enjoyment of the Bible's message.
