

EXPOSED SEVEN continues Darren West's graphic and explicit descriptions of sexual exploitation in a mob-related underground porn ring during the early to mid- 1970s in New York City and the surrounding area. In the remote cabin an hour north of Manhattan, Darren is repeatedly coerced at gunpoint and at knifepoint to commit hideous, depraved acts of perversion against others at the hands of a cruel taskmaster. His buddy Travis is the forced accomplice in these extreme acts that absolutely must remain a steadfast secret, lest they face The Butcher. They depend upon and rely on the strength of one another, in order to survive the intensity of the pressures and ceaseless threats, soon becoming blood brothers for life. But no sane person would consider these young men to be anything but victims themselves, in this secretive, forbidden world where each sexual act must supercede the previous one in terms of sheer shock value. It only proves one thing: Evil men will stop at nothing in their undying pursuit of money and power. As long as there is a market for their product, nothing and no one will stand in their way. That is; unless those individuals harbor a death wish. **CONTENT ADVISORY:** Graphic descriptions of sexual acts.
