

This all-new supplement indexes information on childrens crafts from over 300 books, all published since 1991 and commonly found in schools and public libraries. All projects are suitable for children with grade levels indicated in each citation. The index also distinguishes crafts by nationality and holiday. Books are arranged by main entry followed by the craft index itself, arranged by the names of projects, and by an index for the type of materials used. A list of Web sites provides even more ideas. Books are selectively indexed to include crafts suitable for Pre-K to grade 8. Reviews of the previous volumes: ...Will be needed in most reference collections. ?BOOKLIST...An excellent and much needed resource book for teachers, librarians and craft aficionados. ?GIFTED/CREATIVE/TALENTED CHILDREN
