

For middle-grade readers looking for a uniquely funny, illustrated expose on one boy's troubles in school and at home. Hand this to those searching for a book like Just Jake and Timmy Failure. Meet Henry Hubble. He's in a world of trouble. From class-trip bathroom breaks to Halloween-costume catastrophes to lunchroom-table love drama, Henry is always in the middle of a debacle. That is . . . until this journal (yes, the very journal you hold in your hands) makes Henry a media mogul and one of the most popular sixth graders in the world. But you're just going to have to start reading to find out why. Readers [will] giggle at and commiserate with [Henry's] comically chaotic existence. Publisher's Weekly
