

Excerpt from History of the Town of New Windsor: Orange County, N. Y This volume is published by The Historical Society of Newburgh Bay and the Highlands, from a manuscript which was given to it by Mr. Edward M. Ruttenber, shortly before his death. The Society has so much faith in the accuracy of Mr. Ruttenbers work along historical lines that no effort has been made to amend any of the statements contained in the manuscript except in those few instances in which the members of the publication committee has personal knowledge of some facts modifying Mr. Ruttenbers statements. To claim that any work of history is absolutely free from inaccuracies would be unwise. But we feel confident that out of the multiplicity of details set forth in the following pages few errors will be discovered. It is to be observed that the history is not intended to be brought up to the present day. It covers only the period from the earliest settlement of the Town of New Windsor to about the year 1870. With a deep sense of the gratitude due to Mr. Ruttenber for his painstaking labors in ascertaining and perpetuating the facts connected with the early history of this section of the Empire State, we submit this volume to the public with the hope that our work in editing it will not do discredit to the work of Mr. Ruttenber in gathering the materials.
