

Lotion Making : Organic Homemade Lotion Recipes : DIY How To Make Your Own Body Lotions For All Skin Easy Nourishing Lotion Recipes That you Can Make at Home Get this Kindle book now for only 2.99. Regularly priced at \$5.99. Read on your PC, Mac, smart phone, tablet or any Kindle device. ~ READ FREE WITH KINDLE UNLIMITED~ Applying lotions is one of the best ways to take care of your skin. Lotions nourish the skin cells, keep it moisturized, and help keep it healthy. Different components of lotions give different benefits to the skin. Some ingredients provide or improve the skin's moisture content. Some ingredients keep the cell healthy. Some give the skin a soft, silky smooth feel, as well as supple, elastic, glowing and young-looking. The problem is, some ingredients damage and irritate the skin. That's what some commercially produced lotions do. To avoid applying harmful chemicals on the skin, why not make your own lotion? This book will teach lotion making for beginners. This book will explain what each ingredient does to the lotion and how it affects the skin. Other things you will learn from this book includes the following: • The difference between commercial and homemade organic lotions • What are the basic ingredients in lotion making • The basic procedure in lotion making • How to make different types of lotions to suit special skin needs such as lotions for dry skin, oily skin, cracked and irritated skin, sensitive skin, and so much more • Step by step procedure in making each type of lotion You also get a bonus chapter on how to make unique lotion bars. See, lotions are not just the cream or liquid concoction you normally apply to skin. it can be made into bars, too. Read this book today to learn all these. You also get some lotion recipes to help you get started on making your own special lotion. Also, the recipes in this book uses organic ingredients, so you know that the lotions you will be making from this book only contains natural and organic ingredients. There is also nothing to worry or get intimidated about lotion making. It isn't rocket science. You only need a few ingredients that might already be in your home. You also do not have to worry about chemistry lessons here. This book will guide you every step of the way. To order your copy, click the BUY button and download it right now!
