

My childhood and later experiences were with macaroni and cheese that came out of a box. This was elbow macaroni and a packet of orange powder that turned into a sauce with the addition of milk and butter. I'm no longer a child and I try to prepare healthier meals made using ingredients with limited preservatives, dyes and other additives. I still enjoy the combination of macaroni and cheese but on my terms now! These recipes go outside the box by using several types of pasta/macaroni shapes with a variety of cheese and other ingredients. You'll find combinations of couscous, elbow macaroni, rigatoni, rotelli, soba noodles, and ziti with cheddar, feta, goat, ricotta and port wine cheeses, to name a few. Boxed mac & cheese typically yields multiple servings but only if you resist eating the entire contents. The recipes in this book yield 1 serving allowing enjoyment of freshly prepared mac & cheese without concern about overeating.
