

A powerful anthology of literary works by iUniverse authors and community leaders. In it you will find a delightful potpourri of words, ranging from short stories to a full-length play in one act. This collection is organized by category/genre: a mystery piece, success exercises, short stories on love, poetry, a play, and finally, short stories about life. Poetry is used as a thoughtful transition from author to author, and from category to category. Whether you choose to read the pieces in one of the categories/genres or all, every one of the 16 authors that contributed to this anthology hope you find this to contain exactly what you are looking for!
