

The purpose and mission of Scientific GOD Journal (<http://www.scigod.com>) are to conduct scientific inquiries on the nature and origins of life, mind, physical laws and mathematics and their possible connections to a scientifically approachable transcendental ground of existence – we call Scientific GOD. We believe that in this Golden Age of Science the GOD in whom we trust should be spiritual as well as scientific. Indeed, since we are all made out of the same subatomic, atomic and genetic alphabets, the scientific GOD each of us seeks should be one and the same whatever our race, religion and other differences. This is Scientific GOD Journal Volume 5 Issue 2 first published in February 2014. It is a focus issue entitled Consciousness (God) Centered Quantum Reality featuring Steven E. Kaufman’s latest work. It contains the following: Background; Introduction; 1. Building a new model of reality; 2. The nature of quantum reality; 3. The nature of the wavefunction; 4. There is no spoon; and 5. The connection between quantum physics and eastern philosophy.
