

Bestselling children's author, Emily Castleman, presents the children's book *Sea Turtles*. The book uses large, colorful photos and easy-to-read words to teach children about these popular animals. This book is beautiful on a Kindle and other electronic reading devices. Every page has a large, full-color sea turtle picture and large text, making it fun and easy to read for young children and simple for a parent to guide a child through the book. Each section contains a repeating pattern of 2-4 sentences followed by an image with a caption. The information inside is designed to be easily understood by early readers, and the captions provide more information to talk about with your child. *Sea Turtles* gives a detailed and well-rounded view into the world of this fascinating creature. It talks about sea turtle anatomy, feeding habits, and behavior. The following types of sea turtle species are also talked about specifically: \* The Flatback Sea Turtle \* The Green Sea Turtle \* The Hawksbill Sea Turtle \* The Kemp's Ridley Sea Turtle \* The Olive Ridley Sea Turtle \* The Leatherback Sea Turtle \* The Loggerhead Sea Turtle.
