

Survive the Infection! Survive the Infected! Following his none-too-soon reunion with his friends at the safe house, Zed is hoping things can finally fall into a stable routine, but in post-virus Austin, things are far from stable. On a mission to raid the ammunition bunkers at Camp Mabry, Zed and Murphy spot a group of the newer, naked infected, who are exhibiting some sophisticated and disturbing new behaviors, such as scouting and hunting - for them. After a narrow escape, the two pass the home of Mr. Mays on the return trip, stirring Zeds predictable rescuer impulse. Finding Mr. Mays dead, Zed brings fellow chain gang escapee Nico along to join the group, whose numbers have grown again, thanks to their merger with the girls on the riverboat, where the group has moved, as seems to be the safest hiding place... Or is it?
