

The book is a how-to guide and an illustration of the unique and baroque sex position called the African maneuver. In this work the author melds the spirit and nature of certain beasts that roam the jungles of Africa with the art of sex. This premier edition contains the original pencil illustrations of fifty-four sex positions, including several variations of the African maneuver. Furthermore, the book, among others, educates the male audience on how to prevent premature ejaculation and presents illustrations of suggested exercises to enhance sex. It is a must-read for anyone interested in spicing up their sex life.
