

This is a Fashion Design Oriented Full Color DIY Guide. It is ideal for would be designers, educators and working artists. More than 130 original color print designs merge with 8 well defined must-dos to create a unique insiders DIY guide. This book explains how to prepare and proceed to build truly marketable fashion industry print designs. The author, an experienced print designer, takes the bold step of isolating specific segments of the design process so you clearly see how to enter the fashion print design profession. Perhaps more unusual in a design book, the author endeavors to highlight how to think as you design. We are presented with knowledge that outlines how to anticipate and deliver solutions for the exciting international world of fashion. There is also a Black and White ONLY Edition available, but please be aware that ALL of that artwork is printed Grayscale.
