

Dr. Gary W. Demarest encourages us to turn to 1 and 2 Thessalonians, 1 and 2 Timothy, and Titus, for in them we can find astoundingly up-to-date answers. Dr. Demarest plumbs the depths of the meaning of Paul's first and last epistles and then illustrates that in the context of the most crucial issues facing us today. Among those issues are questions that are still valid today: 1 Thessalonians--What is the meaning of sexuality for the Christian? 2 Thessalonians--What about those who predict Christ's return? 1 Timothy--What about the role of women in the church? 2 Timothy--What do you do when you are required to do things beyond your natural abilities? Titus--What is the relationship between doctrine and good works?
