

From Lucretia Grindle, author of *VILLA TRISTE*, comes a novel of lives lost and found, as intricate and mysterious as the Italian streets where the story's secrets begin. When American student Kristin Carson enrolls in a study abroad program in Florence, she's sure it will be the best year of her life, a chance to explore art, poetry, and romance in the arms of her new Italian boyfriend. But days before her parents arrive in Florence to celebrate her eighteenth birthday, Kristin disappears. Senior Detective Alessandro Pallioti and his young protégé Enzo Saenz are called to investigate. At first they believe she's simply run off for a romantic weekend and forgotten to tell her parents. But when Kristin's step-mother, Anna, also goes missing, Pallioti and Saenz suspect something much more sinister has happened. As they deepen their investigation they discover that Anna Carson is not who she appears to be, and Kristin's new boyfriend isn't just another local Lothario, but one of the most infamous—and dangerous—men in Italy. To find Kristin, Pallioti and Saenz must first find Anna and uncover the secrets she's kept buried for a lifetime. To do so, they must wade through the past, revisiting times and places most Italians would rather forget, and walk in the footsteps of the dead.
