

The Melchizedek Bible Volume 3, The Books of Elijah is the record and prophecies of the events of the middle of the Old Testament. Volume 3 is all the books from the reign of King Solomon, until the last books of the exile of the Israelites in the Babylon river valley, after the much prophesied invasion by the Persian empire. Volume 4 is all the books from the end of the Israelite exile in Persian Babylon, featuring Ezras restoration of Jerusalem. The books of the Maccabees generation, in the last few centuries before Christ, mark the end of the Old Testament Bible. The books of the Holy Bible are re-arranged into chronological order, and then divided into little paragraphs that are each carefully numbered. This new version of the Bible is really easy to read! Very few changes have been made to the text of the KJV Bible. Buy it today, because in Genesis 25, Jacob read books while Esau hunted.
