

Treasures of the heart (special edition) is a book of poetry. It is both very uplifting and healing and it covers many aspects of healing, nature, love, magic, positive mind set, spiritual happenings and much more. This book includes poems to help work toward positive thinking to improve our physical, emotional and spiritual health and well-being. There are some wonderful inspiring poems about magical possibilities if we will just believe. This book includes lots of healing poems that are uplifting and heart warming and not forgetting the wonderful Mother Nature that we are so lucky to experience in so many ways. This book has been written with love and intention to make us all aware of the reasons why we are here right now, and how we can make a difference in our own life and the lives of those around us. Our unique world is what we create individually with our gifts of the very powerful mind.
