

Tests are hard. Tests are scary. In fact, tests stink! But no matter how kids (and parents, and teachers) feel about tests, theyâ€™re part of life. To succeed in school, kids need to ask, â€œHow can I be a better test-taker?â€• This book has the answers. In the tradition of Trevorâ€™s book, *How to Do Homework Without Throwing Up*, it offers proven strategies and practical advice . . . plus plenty of humor and goofy cartoons. As kids smile and laugh their way through the pages, theyâ€™ll discover tips and information that will help them survive and thrive in all kinds of test situations. Topics include: how to overcome test anxiety, procrastination, and perfectionism; how to prepare for specific types of tests (multiple choice, true-false, timed, take-home, standardized); how to handle cheaters; how to get extra help from tutors, mentors, and/or study groups; the pros and cons of guessing; how to feel better about tests in general; and much more. Other study guides can be dry, boring, and much tooo lonnnng. True or False? Tests Stink! is fun, entertaining, and (like Trevorâ€™s other books) small but mighty. It can inspire even reluctant and anxious students to do and be their best on test days.
