

As the country heads into the non-stop madness of a presidential election, there is nothing that it needs more than a dose of Tom Tomorrow's social and political satire. Read by more than twenty million readers, Tomorrow has his finger on the pulse of the times, to enthrall or enrage - and occasionally both - with his work. When Penguins Attack!!! brings back Sparky (the most dyspeptic cartoon animal in the business) and the rest of the cast as Tomorrow casts his perennially jaundiced eye on politics, the media, social trends, and everything else. So sit back and settle in, for Tomorrow is the cartoonist for today.
