

Run off the road and left for dead, Shay Ridiker's only hope for surviving the frozen claws of the wilderness is pilot Rick Savage. The beautiful airplane mechanic came to Alaska expecting a routine repo, but a missing co-worker and a crippled plane are just the tip of the iceberg. Now held captive at a derelict gold mine by ruthless killers, Shay needs Rick's protection more than ever. But Rick has shadows that follow him into the land of the midnight sun. With gunmen at their backs, can he be all Shay needs—a haven and a hero?
